ILLINOIS COMMERCE COMMISSION
CHIEF CLERK'S OFFICE

Each monthly bill for service is payable on the date of issue. A charge of one and one-half percent (1-1/2%) per month may be added to the amount of any residential customer's bill remaining unpaid after 21 days following the date of mailing the bill, and 14 days after the date of mailing a bill for non-residential service. When a customer mails any payment for gas service and such payment is received at the Company's office not more than two (2) full business days after the due date printed on the bill, the customer shall be deemed to have made timely payment.

Gas Lights

For all metered gas light services under this tariff, the charge for such service shall be based on actual usage through a metered source at this tariff rate. It shall be within the Company's discretion whether a gas light should be metered, however if the gas light is unmetered, the Company may estimate and determine the appropriate consumption of the light and charge the applicable rate under this rate schedule.

**COGENERATION, COMPRESSED NATURAL GAS, PRIME MOVERS, FUEL
CELL SERVICE, LARGE TONNAGE AIR CONDITIONING**

Schedule 192: All Zones

Purpose

The purpose of providing service under this schedule is to increase utilization of system supplies and system capacity.

Applicability

This schedule is available to the extent gas supply and delivery capacity is available to commercial and industrial customers, existing or new, for use as a single prime fuel source to generate electrical and thermal energy in order to optimize efficiency. This schedule is also available for compressed natural gas for automobile and truck fleets and fuel cell service and large tonnage air conditioning.

Eligibility

Eligible customers shall include those who are currently connected to the Company's gas main or who will become newly connected. In either case, service will be provided, at the Company's option, through a separate meter.

Character of Service

Natural gas with a heating value of approximately 100,000 Btu per hundred cubic feet, supplied through a single delivery point meter, at the standard equipment utilization pressure, or at such higher delivery pressure as approved by Company.

Facilities Charge

A monthly charge of \$100.00 for each customer.

Customer charge for adjacent connected load will not be duplicated, otherwise the facilities charge will be at the customer's regular schedule charge.

Monthly Rate

* All Consumption, per Ccf \$0.0762
